I did my best. Apologies if I butchered anything – hopefully I captured the actions and issues appropriately. Please let me know if you'd like me to spend a little more time cleaning them up and highlighting important deadlines/actions/legal issues, so you don't have to dig through it all.

Best,
Emma

Sounds good. I'll do my best to capture what's said and send the notes back to you promptly.

Best wishes

Emma,

As you are not presenting today in the pre-brief with Dave, would you mind taking notes. We'll need them for tomorrow's workgroup call and to make any changes to the tables. Thanks, Kathy
